

HOW TO REDEEM PAYMENOW VOUCHERS

WHEN YOU BUY THESE

FOLLOW THESE STEPS

Follow these steps

- Once the purchase is successful, the voucher code will be displayed on your phone, and you will receive an SMS with the same details.
- This voucher code can be redeemed at the cashier.
- You can forward the details to a loved one.
- You can re-use the voucher until the value has been depleted. If the remaining value is less than R10, cash change will be given, and the voucher code will be void.

- Login on Takealot with your existing email address and user password
- Go to My Account
- Click on Enter A Gift Voucher Code
- Enter the code on your voucher and click Claim Voucher. Once you've successfully entered the code the amount of the voucher will be loaded as a credit on your Takealot account.
- Credit will automatically be used when you checkout next time on the Takealot website. When shopping on the Mobile App you need to select credit as your payment method.
- Purchased Gift Vouchers are valid for three years from the date of sale.
- Note that different rules apply to Promotional Coupons and discounts
- Alternatively, you can also redeem the Gift Voucher during the checkout process by entering your code in the designated field.

All vouchers bought on Paymenow are valid for at least 1 year.

Vouchers bought on Paymenow cannot be transferred to cash. Vouchers can be sent/shared with friends/family.

FOLLOW THESE STEPS

- You need a Shoprite Money Market account to redeem vouchers.
- If you don't have one, don't worry! You can buy the voucher and then set up the account.
- Once the voucher is bought, you will receive an SMS from Paymenow stating the value of the voucher you purchased. You will be prompted to get the Shoprite app or dial *120*3534# to redeem the voucher.
- Shoprite Money Market account setup steps will also be sent to your number as soon as the voucher purchase is successful.
- Once the Shoprite Money Market account is set up, the value purchased will be loaded onto a Money Market account.
- Login to the Shoprite Money Market app to pay at a Shoprite till or transfer the voucher value to friends/family.

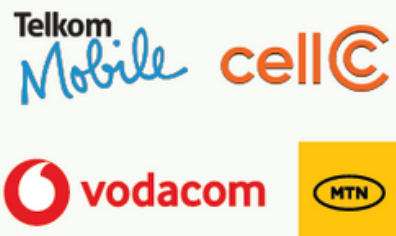

- Once the purchase is successful, the voucher code will be displayed on your phone, and you will receive an SMS with the same details.
- This voucher code can be redeemed at the cashier.
- You can forward the details to a loved one.
- Please note that **this voucher can only be redeemed once** and cannot be used multiple times.

HOW TO REDEEM VOUCHERS

WHEN YOU BUY THESE

- You will receive a confirmation SMS from Paymenow with all the details and confirmation of the amount.
- Show this to the customer services counter in-store to transfer the value to a Woolworths Gift Card redeemable at POS.
- You can also forward the message to a loved one.
- Alternatively, the virtual gift card number as displayed in the SMS can be used on Woolworths Online www.woolworths.co.za without being converted into a physical gift card in-store.

- The top-up will be allocated to the number provided as part of the purchase steps.
- An SMS will be sent to the number provided as confirmation.

- The voucher will be linked to the meter number entered and cannot be used on another meter.
- Once the meter number has been confirmed, a numeric code will be sent to your phone via SMS.
